SUPREME COURT OF PENNSYLVANIA.

Chief Justice.....The Honourable John Bannister Gibson.

Associate Justices.....The Honourable Molton C. Rogers, Thomas Burnside, Thomas S. Bell and Richard Coulter.

The Eastern District is composed of the City and County of Philadelphia, and of the Counties of Delaware, Chester, Montgomery, Bucks, Northampton, Lehigh, Monroe, Pike, Carbon and Schuylkill.

The jurisdiction in all those counties is appellate, except in the City and County of Philadelphia, where, besides appellate jurisdiction, there is original jurisdiction in all cases where the amount in controversy is five hundred dollars and upwards.

There are two terms for the Eastern District, holden at Philadelphia on the third Monday of December, continuing three weeks; on the second Monday of March, continuing two weeks. These terms are continued, by adjournment, for a longer period. The first and last days of each term are return days. The last Monday of July is also a return day, when the Court is opened for motions, and so forth. The first Monday of each month is also a return day for all process, original, mesne or final. The Court has power to fix special return days.

NISI PRIUS COURT.

There are three sessions of the Nisi Prius holden by the judges of the Supreme Court—the judges alternating—commencing on the first Mondays of November, January and March, in each year. Each session is divided into two periods of at least three weeks each, for jury trials. The remainder of the sessions is appropriated to equity cases and arguments in this court. The first Monday in every month is a return day for original process.

The judge at Nisi Prius hears and determines all cases in equity brought in the Supreme Court.

The act of Assembly usually termed the affidavit of defence law, has been extended to this Court. The arbitration act is also in force.

The June term is entirely for motions and arguments, and commences on the first Monday of June, and continues 4 weeks.

There are four terms in each year for process: the first Monday in every month being return day. The March term commences after the first Monday of February; the June term commences after the first Monday of May; the September term commences after the first Monday of August; the December term commences after the first Monday of November.

TO THE SICK AND AFFLICTED.

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

WE can consistently state, that DR. SWAYNE'S Compound Syrup of Wild Cherry has been extensively used in the United States, for more than ten years—that its beneficial effects have been tested by thousands—THAT IT INVARIABLY RELIEVES A RECENT COUGH, and that hundreds of individuals, gradually sinking under the insidious attack of death's fell emissary PULMONARY CONSUMPTION, have been restored to health, happiness and friends, by its use, and are now living testimonials of the curative power of this REMEDY. ANOTHER INVALID RESTORED TO HEALTH. READ THE MOST REMARKABLE CURE EVER RECORDED!

DR. SWAYNE—Dear Sir: I feel called by a sense of duty I owe to suffering humanity, to acknowledge my grateful thanks for the wonderful effects of your Compound Syrup of Wild Cherry on me, after suffering month after month with the most afflicting of all diseases, Consumption. The first symptoms were of a very heavy cold which settled on my lungs, which gradually grew worse, with profuse night sweats, a hacking cough, spitting blood, with great debility. My constitution seemed broken down, and nervous system very much impaired. I went to Philadelphia, was treated there by physicians of the highest standing, but received no benefit whatever from them, but gradually grew worse, until my physicians, as well as myself, gave up all hopes of recovery, and I felt like one who is about to pass through the Valley of the Shadow of Death. At this "awful juncture" I heard of your Compound Syrup of Wild Cherry, of which I purchased six bottles, which I am happy to say entirely cured me, and I am now enjoying better health than I ever have before in my life. Physicians who witnessed my case are highly recommending it in similar cases, and I wish you to make this public, so that all may know where to procure a remedy at once which will reach their disease before tampering with the many "quack nostrums" with which the country is flooded. My residence is at 45 Ann street, where I should be happy to have the above substantiated by a personal interview.

ALBERT A. ROSS,
Wholesale and Retail Dealer in Cigars, 45 Ann St., N. Y.

CAUTION.—Since the introduction of my article to the public, there have a number of unprincipled individuals got up *nostrums*, which they assert contain WILD CHERRY, some are called "BALSAMS," "BITTERS," and even "SYRUP OF WILD CHERRY," but mine is the original and only genuine preparation ever introduced to the public, which can be proved by the public Records of the Commonwealth of Pennsylvania. The only safeguard against imposition is to see that my signature is on each bottle.
